Seminarians

We especially welcome seminarians and others committing themselves to full-time ministry and service in the Church. St John the Compassionate Mission and the Lived Theology School can offer a wide range of experiences and opportunities that can be a valuable foundation for all types of pastoral work. For those coming with theological knowledge the study part of the program will focus more on the application of such knowledge in a pastoral context. LTS will cooperate with your school with regard to your internship at LTS.
